

# • Piece & Love •

Set colorful triangles of varied hues into a faceted heart that sparkles against a calming striped background. This modern stunner is perfect in any colorway. Pick fabrics with a wide color range and stick to small prints for best results.

**FINISHED QUILT: 58" × 58" | FINISHED BLOCK: 5¾" × 5¾"**

## Materials

Yardage is based on 42"-wide fabric.

- 20 fat eighths, 9" × 21", of assorted prints ranging from light to dark for heart; sort fabrics into colors 1-20\*
- 1 yard of white solid for background stripe
- 2¾ yards of gray solid for background stripe and binding
- 3⅝ yards of fabric for backing
- 64" × 64" square of batting

\*Label your fabrics as shown in the fabric key below so you can follow a color progression when laying out the quilt. We used a loosely organized rainbow (from pink to dark blue) that generally goes from light to dark. For interest, we included a few lighter fabrics (such as fabrics 3, 7, and 11) out of order and swapped a few fabrics in neighboring colors (such as green and blue).

Fabric key

## Cutting

All measurements include ¼" seam allowances.

### From each of the assorted prints, cut:

2 squares, 7½" × 7½" (40 total); cut the squares into quarters diagonally to yield 8 small triangles (160 total; 8 will be extra) **Note:** If you prefer to use precuts, you'll need 80 squares, 5" × 5"; cut them in half diagonally. Using 5" squares will mean all blocks will have bias edges around the perimeter.

### From the white solid, cut:

1 strip, 12½" × 42"; crosscut into 1 square, 12½" × 12½"; cut the square in half diagonally to yield 2 large triangles

1 strip, 12" × 42"; crosscut into:

1 piece, 12" × 17¾"

1 square, 12" × 12"

1 strip, 7½" × 42"; crosscut into:

2 squares, 7½" × 7½"; cut the squares in half diagonally to yield 4 medium triangles

1 piece, 6¾" × 12"

### From the gray solid, cut:

3 strips, 12" × 42"; crosscut 1 of the strips into:

1 square, 12" × 12"

2 squares, 7½" × 7½"; cut the squares in half diagonally to yield 4 medium triangles

3 strips, 6¼" × 42"; crosscut 2 of the strips into:

1 strip, 6¼" × 29¼"

1 strip, 6¼" × 17¾"\*

6 strips, 2½" × 42"

\*Save the leftover second and third strip for the border.
