8 Single Squares

(8) 2.5" square

1. Use 1/4" seam allowance.
2. Cut all pieces and arrange as shown in the diagram.
3. Sew the pieces in each horizontal row together, pressing seams toward the dark fabric.
4. Sew the rows together and press top well.
5. Layer quilt top, batting, and 1 1/2 yards backing together and quilt, either by hand or by machine. We used a walking foot to do a straight line plaid pattern.
6. Sew (4) 2 1/4" x WOF strips together to create the binding strip. Press in half (wrong sides together). Bind and enjoy!
